**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,:

I live in a rural are of Northern Calif. We only have a small internet company to provide internet connection for wireless. No large competition is in this tiny market. We need to have internet for communication, broadcast options, knowledge access on the internet and safety so that email exists.

I support More Competition in the Internet Access market, not Less. Newer technologies, and privacy protections are important to you me , and those are delivered by local community network type Internet Access operations.
